

Planning Schedule

An overall plan for 4 years will enable you to have a good sense of direction and ensure that a lot of the major hand skills are taught.

- ✓List major skills.
- ✓List other skills/badges your club might work on as group projects such as Trees, Widows, or the Missionary badges.
- ✓List small crafts/projects that you will want to repeat every four or six years.

BADGE SKILL (Major hand skill) BADGE (All other skills in handbooks) SMCR (Small craft/projects)
